WITH OUR **4+** ACTIONS OF EXCITING SIN-NO-MORE

*Sins are all the attitudes and activities that destroy our relationship with God and with other people. All sin is anti-love.*

*God does all the work in purifying us from sin, but it happens as we are willingly cooperating with him in these 4+ ways.*

## LORDSHIP

My response to God's love is to submit to Him as my Lord

God loves us despite our sin, offering mercy and forgiveness.

**SIN**  
Chaos  
Dysfunction  
Pain

## CONFESS

I confess to acknowledge God's truth and agree that I need change.

God gives us awareness and identification of sin.

## FLEE

I flee situations and environments that tempt me to sin.

God frees us from bondage to sin, but we are still vulnerable to temptation.

## SEEK

I seek a godly and righteous path to replace the sin I left behind.

God gives us self-control and power to resist evil.

## RESTORE

I know sin destroys, but I do what I can to heal the damage of sin.

God transforms our minds to be filled with health and goodness.

## HEALTH

More peace  
More love  
More hope
